

Dear Friend and Supporter,

On September 24, 2026, AgeOptions will host its 21st annual benefit—**Celebrating Resiliency**. This year’s event is more than a celebration; it is a recognition of the perseverance, strength, and determination that define the older adults and caregivers we serve. In a world that continues to present challenges, your support ensures that older adults and their families always have access to the services, programs, and care they need to thrive.

Since 1974, AgeOptions has been committed to empowering older adults and caregivers across 130 suburban communities. In 2025, despite a year of uncertainties, our team and partners served nearly 200,000 older adults and caregivers. Together, we delivered over 2 million nutritious meals, helped older adults access critical benefits, and supported individuals in taking meaningful steps to maintain health, safety, and independence. Our programs—from H.O.P.E., which helps older adults transition safely from nursing homes back into the community, to targeted support for LGBT+ older adults and caregivers—reflect both our resilience and our commitment to innovation.

Through your sponsorship of **Celebrating Resiliency**, you are not just supporting an event—you are standing alongside a community that overcomes challenges, adapts in times of uncertainty, and continues to grow stronger every day. Your generosity allows us to innovate, expand our programs, and ensure that older adults and caregivers can live with dignity, independence, and connection.

Your sponsorship of **Celebrating Resiliency** is a powerful way to:

- Increase your company’s visibility
- Demonstrate your commitment to giving back to the community.
- Play a vital role in shaping a future where all older adults can thrive.

Please review the enclosed sponsorship materials to explore how you can be a part of this extraordinary event. We humbly request your sponsorship commitment by 9/01/26 to be included in our event signage.

For more information, contact Ernesto Gonzalez Manager of Development, Marketing and Communications, at Ernesto.Gonzalez@ageoptions.org or (708)-668-0054.
